How Mountain Girls Can Love

Chorus

IV I
Get down boys go back home
V I
Back to the girl you love
IV I
Treat her right never wrong
V I
How mountain girls can love

I
Riding tonight in a high cold wind
V I
On the trail of the old lonesome pine

Thinking of you, feeling so blue
V I
Wondering why I left you behind

I
Remember the night we strolled down the lane
V I
Our hearts were gay and happy then

You whispered to me as I held you close
V I
We hoped that night would never end
